This is a frame house of two and one half stories covered with brown shingles. The hip roof has a large gabled dormer on the front with a Palladian window. On both the north and south sides of the house are large gabled dormers above which chimneys extend. Across the three bay front facade is a one story screened porch supported by Doric columns, plus a gabled pediment in front of the door, also supported by Doric columns. On the north side of the house is an unusual Palladian window with a "stepped" lower edge.
